As with all inspections carried out by South East Melbourne Building & Pest Inspections, we provide affordable and comprehensive building and pest inspection reports using the years of experience and our qualifications in the industry. We intend to surpass our client's expectations by completing a thorough inspection process, following up all clients after the inspection has been completed, 4 hour turnaround time on all reports and including photographic evidence of all our findings within these reports. We are fully licenced, qualified and insured to protect our client's most valuable asset.

Please do not hesitate to call to discuss your specific needs and requirements on 0434481033, or email us at [southeastbuildinginspections@outlook.com](mailto:southeastbuildinginspections@outlook.com)
