

TESTIMONIALS

Just a quick note to say a very big thanks to your team there at The Door & Window Exchange. We are still marveling at the transformation the new windows have made to our home. Your team was efficient and friendly and completed the job to a very high standard. It is hard to find such good quality workmanship these days and we sure appreciate it.

Sincerely,

Nicky & Ian Robinson

Hi Janine

Just a quick note to thank you, your installers and your company for a great job. Stephen and I are thrilled with our new window fittings and the boys were a delight to have in our homes. If any other units request new windows, I'll recommend your company in a minute!

I employed Door and Window Exchange to remove two existing windows and replace with sliding doors. In order to replace the windows they had cut through double bricks. Apart from some dust, the site was left very clean. They also informed neighboring premises (shops) so they were aware of what was happening.
