

ABOUT

We are leading industry experts in residential, commercial and specialist cleaning services. We care for agents throughout Perth and customise our services to suit your individual needs.

The following are the main services that Perth Vacate Cleaning offer our real estate clients, we also package these together in such a way that we manage the client's cleaning requirements from exit cleaning, prior to a sale process beginning, to after settlement and beyond.

- Presale clean
- Open for inspection clean
- Settlement clean
- Move-in clean
- Vacate (or end-of-lease) clean
- Rental inspection clean
- Carpet clean
- Fumigation
- Work orders
- Time and materials
