ASAP Chemical Peels

- Improves the freshness, smoothness and colour of the complexion
- Improves acne, decreases congestion and blocked pores
- Reduces the appearance of fine lines and wrinkles
- Can assist with the absorption of other products following a peel
 - Improves texture of the skin and stimulates collagen renewal
- Can improve superficial scarring and irregular pigmentation
- Not only beneficial for the face, but also for the neck, hands and décolletage

Registered Nurse

Meet Ysobel Peters

Ysobel Peters is a Registered Nurse and has extensive experience working with IPL, Photo Rejuvenation, Botox, Fillers, Dermal Needling and Platelet Rich Plasma. Ysobel uses Medical Strength Equipment resulting in quicker and fewer procedures that are also more effective and long lasting.

Ysobel is currently fully booked for the month of September and has **bookings available on Wednesday 3rd October and Monday 22nd October.**

Botox and Fillers are a lot cheaper than you think - starting at \$150

Hydra Microdermabrasion Machine

The newest way to ensure that you have the cleanest possible skin treatment is with Microhydrabrasion which exfoliates the skin with diamonds whilst simultaneously flushing out your pores. This can be used in conjunction with an acid peel for a wonderfully fresh complexion. Unlike some salons ours is a Medical Grade Machine producing visible results. Buy 5 Treatments and get the sixth for FREE!
