

Floatation Therapy Studio

# Becalmed Float

Just a stone's throw from the beach, nestled between boutique shops and restaurants along Flora Terrace, **Becalmed Float** is an exciting new addition to North Beach.

## Some of the relief benefits of floating:

- |                              |                              |
|------------------------------|------------------------------|
| <i>Stress</i>                | <i>Chronic pain</i>          |
| <i>Anxiety</i>               | <i>Fatigue</i>               |
| <i>Insomnia</i>              | <i>High blood pressure</i>   |
| <i>Depression</i>            | <i>Migraines</i>             |
| <i>Post-natal depression</i> | <i>Headaches</i>             |
| <i>Jet-lag</i>               | <i>Pre-menstrual tension</i> |
| <i>Rheumatism</i>            | <i>Back pain</i>             |
