

DON'T LEAVE IT TO CHANCE!

Ascot Accounting is a boutique accountancy firm that has provided a complete range of business, advisory and financial services in Brisbane for over 25 years. Our dedicated team of accountants provide a broad range of services for a range of clients, including small business, individual investors and self managed superannuation.

BUSINESS ACCOUNTING

We strive to accommodate our clients by assisting in the design of workable accounting and record-keeping procedures. These can be implemented on or off site, by our team or yours. We provide a number of services such as:

- Business structure review/set up
- GST and BAS review/preparation
- Cash flow analysis
- Budgeting
- Payroll maintenance
- Statutory Register maintenance.

All services we provide add value to your business – we measure our success on your success!

TAX PLANNING & PREPARATION

Taxation rules and obligations are constantly changing. We are strongly positioned to assist clients to optimise their taxation affairs, working with our clients to maximise their net worth.

We work with our clients throughout the year, staying up-to-date with any changes, and recommending tax saving strategies throughout the year, adding value and working with them every step of the way to achieve the best tax outcomes.

BOOKKEEPING

Depending on your bookkeeping needs, we can provide minimum or maximum assistance – it's your choice. Our expert, in-office bookkeepers provide a bookkeeping service second to none, and work closely with our Accountants to get the best outcomes for your business.

INVESTOR SERVICES

Share/Property Investors

For those that are active investors, we provide a computerised share register for capital gains and record keeping purposes. This additional service aims to relieve the client of the need to retain CGT records for extended periods of time.

The team at Ascot Accounting has extensive knowledge of the taxation rules and obligations of rental properties.

Buying and selling of any Investment can have huge tax implications – make an appointment today to make sure you get the right advice. It could save you thousands!

SELF-MANAGED SUPERANNUATION

Ascot Accounting has extensive expertise in the area of self-managed superannuation. We provide administrative support to clients with their own Self Managed Superannuation Fund (SMSF), utilise state of the art software to meet reporting requirements and comply with regulations while reducing overall service costs.

WEALTH & RISK SERVICES

At Ascot Accounting, we care about more than your accounting needs; we are a hub for all your financial needs. We are experts in our field and focus all our resources on providing the best Accounting service to our clients. We work with trusted associated professional to provide you with an integrated holistic approach.
