With over 15 years industry experience designing some of Adelaide's finest homes. Coupled with a passion for creating high-end residential housing and providing a service that consistently exceeds the expectations of our clients.

Designtech Studio is well equipped to design your dream home at a competitive price and on budget.

How we can help you.

Custom Designed Homes & Additions

We are dedicated to excellence in design and design management. Let us design your new home or extension, whether it be a development of multiple dwellings, your dream home or improvements to your existing home.

New Homes

With our keen eye and attention to detail we have been designing some of Adelaide's most prestigious new homes for over a decade. Whether it be a modest home for you and your family to enjoy or an opulent architectural statement let us work with you to create your dream home.

Construction Drawings

We have an eye for detail and will walk you through the smallest details of your new home or extension. It's important to us that you are comfortable and informed about all aspects of your new home.

Council Approvals

We can take the fuss out of Council approval for you. We can manage and arrange approval for your next project from Planning approval, all the way through to full Development Approval. After years of dealing with many of Adelaide's councils we have the edge to get your next project across the line.

Project Tendering

Let us work with you in finding the right builder to make your dream a reality. We can provide building quotes from a number of builders, help you to compare apples for apples and work through the fine print to achieve the best outcome.

Additions

Do you love where you live but outgrown your home? We have the experience and know-how to design an addition to blend seamlessly with your existing home in order to meet your growing family's needs while adding value to your investment.

Developments

Our custom designed approach on all developments allows us to design homes specifically for diverse site conditions. Our custom designs & wealth of knowledge when it comes to dealing with Councils will ensure the maximum return on your developments big and small.
