

about hanabi

What started out as dream, is now a reality for a group of friends who love food and enjoy the company of each other.

Based on this premise, Hanabi Fusion Restaurant was founded on the principle that "good food is meant to be enjoyed and enjoyed with friends".

Together with our star Chef Don, we invite you on a journey of subtle and bold flavours that will arouse your palette and provoke an emotional response. A journey that is heightened with each mouthful and an experience to be shared.

Whether dining in or takeaway, Hanabi Fusion Restaurant has something for everyone. Our food combines both eastern and western ideas to create simple, but creative contemporary asian dishes that are bound to please.

***So why not invite a group of friends today
for a casual dinner at our place?***

"Eat, drink, laugh, cry... where ever the journey takes you!"
