Your Salon Experience

Our goal is to design treatments to bring you back into balance; results orientated therapies using nurturing, high-touch approaches & unique sensory experiences.

Our therapists are caring & attentive professionals committed to fulfilling your every need. The information below will help you make the most of your time with us.

Appointment Policy

We recommend you book appointments in advance to secure your preferred date, time & therapist for your salon experience. We will also contact via sms text you prior to your treatment to confirm your appointment time.

Cancellation Policy

Out of consideration for all our clients, a minimum of 12 working hours notice is required to cancel or reschedule. Cancellation or time change within this time will result in 50% fee being charged. "No Show" appointments are charged full price of the treatment booked.

What if I am late for my appointment?

Arriving late will limit your treatment time, lessening its effectiveness and your pleasure. Your treatment will end on time so that the next client is not delayed.

Salon Etiquette

We ask you arrive 15 minutes prior to your treatment. This allows you time to check in, enjoy a cup of Comforting Tea or water, complete your personal profile & relax. Your treatment time is approximate & will include a consultation with your therapist.

LED Light Therapy 20mins \$40

Your skin has the ability to absorb infrared light and use it as a source of energy to stimulate cellular regeneration. Infrared LED light therapy, first researched by NASA for use in the U.S. Space Program, can reverse and control the visible signs of aging and help you look years younger without harsh chemical treatments or invasive surgical procedures. Dramatic tightening of skin, smoothing of wrinkles and rough spots, disappearing blemishes, softening of redness, & improvement of pore appearance can be achieved with this natural light treatment.

ADVANCED POWER PEELS

Vitapeel 30mins \$120

This peel treatment is uniquely formulated with a multitude of ingredients including Jesners & Alpha Hydroxy Acid to give effective skin resurfacing results. Excellent for pigmented & sun damaged skins.

BHA Skin Workout 30mins \$80

Oily skin types tend to have large pores & often have trouble controlling grease & shine. Salicylic acid is one of the only ingredients which can actually penetrate deep into pores to clean away sebum. This treatment contains 20% Salicylic acid, which will refine the skin by exfoliating away surface debris, as well as improving the look of pores & treating acne-prone skin.

50% Lactic Acid Peel 30mins \$80

A more advanced lactic peel with great results. Excellent for hydrating & maintaining the skins moisture levels. Works effectively to firm & smooth the skins surface, improving hyperpigmentation & uneven skin texture.

INTENSE PULSE LIGHT TREATMENTS

IPL Intense Pulse Light Prices on request

Intense Pulsed Light therapy can correct a variety of skin conditions, such as facial skin imperfections, the signs of photo-ageing, unwanted hair, unsightly small veins & other blemishes. It offers a safe, non-invasive solution that can be tailored to your individual condition & skin type.

Photo-facial rejuvenation using IPL™ removes & repairs pigmented spots, freckles & sun damaged skin, unsightly small veins & capillaries on face & body, signs of ageing with collagen damage & fine wrinkles, acne scarring, chickenpox & other scars, refinement & reduction of open pore size on facial skin, rosacea & other facial & body discolouration.

Hair removal using IPL™ is relatively painless & offers a gentle, non-invasive, long-lasting solution to unwanted hair on the face, back, legs, bikini line or any other body area. IPL™ effectively treats unwanted hair on most skin types. Any hair with at least some pigment in it can be treated effectively.
