

## End of Lease

Our end of lease cleaning services are second to none and will provide you with peace of mind when moving out. We adhere to real estate official checklists when it comes to end of lease cleaning to ensure you get your bond back. So let us take care of the cleaning when you're moving out so you can take care of more important things!

We also accommodate for cleaning of vacant properties for landlords seeking to lease their properties out, so please do touch base with us if you're leasing your property.
