Up to a 30%\* increase in take home pay  
.....

### how it works

Changes to the Living Away From Home Allowance Legislation (LAFHA) that affected the incomes of working holidaymakers, international temporary business workers are now a thing of the past. Job Capital's salary packaging product, called Pro Salary Packaging, can increase take home pay by up to 30%\*. We can package all business related expenses along with benefits such as novated leases or salary sacrifice contributions and permanent relocation costs.

### who can benefit

Set-up is quick and easy, and everyone wins. Contractors can increase their take home pay by up to 30%, with no additional cost to the business. For Hiring Managers and Recruiters of contractors and full-time employees, this is also an affordable way to drive loyalty, employee retention and reduce staff turnover.
