

Bucket Elevator Components

- Elevator Buckets
 - HDPE, Nylon, Urethane
 - Pressed Seamless Steel, Welded Steel
- Elevator Bolts & Belt Fasteners
- PVC Elevator Belt, FRASOR Elevator Belt & Reformed Rubber Elevator Belt

Belt Conveyor Components

- Conveyor Belt
- Impact Bars
- Conveyor Idlers

Drag Conveyor Components

- Forged Chains & Flights
- Roller Conveyor Chains & UHMWPE Flights
- Chain Sprockets
- Nylon Gear Wheels

Screw Flights

- Continuous Cold Rolled Screw Flights
- Sectional Screw Flights
- Continuous Equal Thickness Screw Flights

Parts for Sieves & Screens

- Sieve Cleaners & Pan Cleaners
- Sieve Cleaning Balls

Engineering Plastic Products

- UHMWPE Sheet/Rod
- HDPE Sheet/Rod/Tube
- NYLON Sheet/Rod/Tube
- PTFE Sheet/Rod/Tube
- POM Sheet/Rod

PRIME MANUFACTURING PTY LTD

Get the **PRIME** Advantage

Prime Manufacturing Pty Ltd is the sales office, distribution warehouse and manufacturing facilities for its international parent company. We manufacture and supply a wide range of Bulk Materials Handling

Products, Conveyor Components, and Engineering Plastics, at competitive prices.

Prime's Capabilities

- Strong production capability
- Customised services are available including bucket venting, holes drilling, belt splicing, CNC routing and machining
- More than 40 years of industry experience in bulk materials handling

Price Advantage

We have our own in-house manufacturing facilities which give us the ability to bring quality products to you at a lower cost than our competitors.

Improve Your Efficiency

We stock a wide range of products in Melbourne and have easy access to stock from our international manufacturing facilities. We are your one stop shop for Bulk Materials Handling Products, Conveyor Components and Engineering Plastics. We help you to optimise sourcing efficiency and reduce cost.

www.prime-mfg.com.au

BUCKET ELEVATOR COMPONENTS

We stock a wide range of elevator buckets with more than 30 different types in 300 models. Completed with PVC elevator belt, FRASOR belt, reformed elevator belt, elevator bolts, and belt fasteners.

BELT CONVEYOR COMPONENTS

High quality impact bars, conveyor belt and idlers are designed to improve the efficiency and ensure safe operation of the conveyor system.

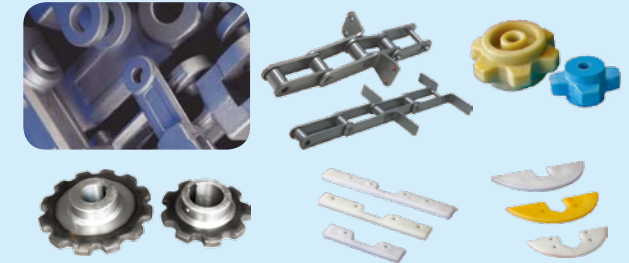

SCREW FLIGHTS

Continuous cold rolled screw flights, sectional screw flights and continuous equal thickness screw flights. More than 5,000 sizes are available with maximum 1.6 m in diameter and 50 mm in thickness.

DRAG CONVEYOR COMPONENTS

Available in forged and roller conveyor chains. Flight attachments are fabricated at our CNC machining facilities.

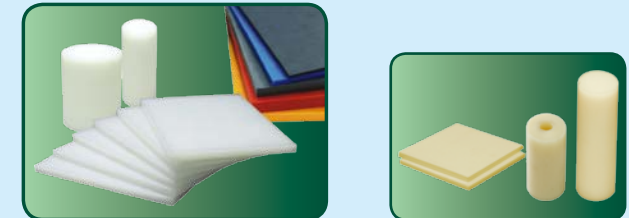

PARTS FOR SIEVES & SCREENS

Polyurethane sieve cleaners in any execution. Meet FDA requirements.

UHMWPE/HDPE/NYLON/PTFE/POM PRODUCTS

Available in skived sheet, sheet, rod, tube, or other machined profiles, with in-house NC machining facilities for customized requirement.
