GET TO KNOW YOUR LOCAL LENDING SPECIALIST

Money makes the world go round. We've all heard it, but how seriously do we really think about it? We know when we don't have enough, but most don't know how to fully utilise what they have in a progressive and forward thinking way. Mortgage Brokers have an in-depth knowledge of loans and how to get the ideal finance for your needs, myself included.

My name is Steve Keramidas and I am an accredited mortgage broker based in Melbourne. My role as a mortgage broker is to provide honest and helpful advice using my many years of experience and extensive background in banking & finance. It is my top priority to provide my customers with the very best help and service.
