

FUNERAL ORDER OF SERVICE BOOKLETS

Order of Service booklets list the prayers, hymns, readings or songs that comprise a funeral service. We cater for any religious denomination or civil ceremony. Each booklet is custom designed and each page is individually printed (not photocopied) on very high quality paper.

MEMORIAL AND HOLY CARDS

Memorial cards can be used instead of or in conjunction with an order of service booklet. We have many religious images to choose from.

FUNERAL THANK YOU CARDS

A Funeral Thank You Card is a greeting card that's sent out after the funeral service to those who attended, sent flowers or sympathy cards or helped out in any way.

AUDIO-VISUAL DVDs

Beautifully crafted audio-visual presentations of photos spanning one's life set to music and presented on DVD to be played at the funeral service or afterwards. Something which can be sent to family and friends interstate and overseas who were unable to attend the service.
