“I've used Adam's Carpet Cleaning twice now. They've got all the stains out of our carpet. They are prompt. We've used other Carpet Cleaning Services before and we've not got as good a result. I would recommend to anyone.”

"Hi there, my name is Naji and I am the Owner/Operator of Adam's Carpet Cleaning.

For the past 8 years I have been cleaning carpet in homes all across Sydney. I run this business with my wife. We have 4 wonderful children who keep us busy. Adam 10 (hence the name Adam's Carpet Cleaning), Alissa 5, Ayman 4 and Noah who is 2 years old.

Throughout the years, we have strived to offer only the highest quality work and customer service. It is only through our wonderful Repeat and Referral customers that we have been able to grow to where we are now.

We are honest with our dealings and will only offer you the best advice for your cleaning needs.

I stand behind every job I do with a 100% guarantee. If you are unhappy with a job I have completed at your home, all you need to do is call and I will get back out there to remedy any issues.

If you are thinking about cleaning your carpets, please give my wife or I a call.

We are always glad to take your call and offer you a solution to your cleaning needs".

"I spent a fortune on cheap carpet cleaners for ages and it didn't do the job. I was house training my little dog. Tried Adam's Carpet Cleaning and it's been fantastic. The smell goes. The carpet looks amazing and I bring them back every time. It's really good value."

Pet Odour Specialist

As much as we love our pets, there's nothing more irritating than finding out they have urinated on your carpet or furnishings.

There are a lot of DIY Products on the market, but nothing will truly treat the problem better than Professional Carpet Steam Cleaning.

With our specialised pet urine treatment, we are confident that 100% of the odour will disappear from your carpet.

Mattress Cleaning

A Healthy and Clean Mattress is crucial to a good night's sleep.

Dust Mites thrive in warm mattresses feeding on skin flakes and saliva. Symptoms include skin irritations, sneezing and runny nose amongst others.

You wouldn't skip on changing the oil in your car, so why skip cleaning your mattress.

The best way to clean mattresses and kill dust mites is by steam cleaning.

Rug Cleaning

Rugs add style and comfort to any home. But just like carpet, they endure a lot of punishment from kids, pets, dirt and spills.

We can clean even the most delicate types of rugs, ensuring spots and stains (including Pet Urine) are completely removed.

We professionally clean all types of rugs including Persian, Silk, Oriental and 100% wool.

Regular Steam Cleaning of your rug will ensure you will love it for years to come.

Lounge Cleaning

You would be amazed to know what actually lives deep inside your favourite sofa – Sweat, Grime, Food, Drink, Skin Flakes, Human Hair, Pet Hair, Body Oils, Dust, Odours.

If left long enough, these can turn into fungus and cause bacteria growth.

We can remove all of these nasties from your favourite sofa, leaving it looking and smelling fresh and clean.
