COMMON QUESTIONS

Can I pick up my coldroom?

Our rooms are able to be towed by any car with a tow ball and 7 pin round plug connection. Delivery can also be arranged.

What do I need to run the room?

Normal household power supply will run our rooms eg 10amp or minimum 3KV generator

Do the rooms have shelving?

As standard each room does not have shelving however we have a variety of options available on request

What if the room breaks down?

We operate a 24/7 refrigeration maintenance business and guarantee the room will be fixed as soon as our staff can arrive on site. All rooms are built and routinely maintained by us using trade known and respected brands.

How can I be sure the room is running at correct temperature?

All rooms have digital temperature controls so you can ensure temperature is correct at all times.

What is the standard temperature of the rooms?

Temperatures range from +2° to +15°

How much will it cost?

Hire rates start from as low as \$120 for weekend hire and from \$200 weekly. Please contact us and we may be able to tailor a package specifically suited to your requirements.
