

SOUTH AUSTRALIAN BUSINESS SAVINGS ASSESSMENT

On behalf of **Vibrant Australia**,

I would like to offer you a very exciting opportunity to take part in our **South Australian Business Savings Assessment**. The **SABSA Program** is a thorough assessment of your entire workplace's cleaning (and associated service costs.) Each assessment only takes about 45 minutes and will come with a comprehensive, individually tailored report. This initiative is absolutely free of charge and comes with no obligation whatsoever.

Virtually every single business we assess will be shown ways we can help them save money and most of our services do not require signed contracts. So regardless of whether you are 100% happy with your current cleaning arrangements or not, I am sure you would agree, if we can show you ways to save money that your current cleaning company does not offer, having a free assessment done will be greatly beneficial for the business.

To book your assessment call Daniel on 0420 860 366

You have nothing to lose, but so much to gain!
