

# SAFETY POLICY

Tyson Jervis Electrical, consists of a rapidly growing and diverse Team supplying products and services to a growing number of customers throughout Australia.

Tyson Jervis Electrical is committed to providing a safe and healthy working environment for our employees and for contractors and visitors to the workplace. This will be achieved by adopting and promoting the provisions of the Relevant Workplace Health and Safety Act.

We strive to achieve zero workplace incidents and accidents at all our operations through continuous improvement.

We understand that creating and maintaining a safe and healthy working environment is a major part of our overall responsibilities, and that all employees are accountable for the health and safety of fellow employees and visitors.

We require all employees, contractors and visitors to our workplaces to follow safe work practices as prescribed under the legislation and in our Policies and Procedures, that they make every effort to reduce the risk of injury to themselves and others.

We will provide adequate resources and regular training on workplace health and safety, and require our employees to attend.

Workplace Health and Safety is important and we all have an obligation to ensure that there is a safe and healthy working environment and we encourage you to actively participate so that this goal can be achieved.

This Policy statement shall be available at all Tyson Jervis Electrical workplaces. We will review this policy periodically so it remains relevant to the needs of our scope. This policy is to be communicated to all Tyson Jervis Electrical staff, contractors/sub-contractors, and visitors on all sites.

Tyson Jervis endorses this policy to confirm his personal commitment in maintaining a high level of Safety in all aspects of the work for all employees and the public.
