

## Bring your dreams to Reality

Seahaven Landscapes is a small family business focusing on design and construction of domestic outdoor spaces. It has been supplying qualified services since 1993.

Seahaven Landscapes prides itself on genuine customer service based on quality workmanship and attention to detail. On completion of our work clients enjoy their outdoor areas for their practicality, beauty and longevity.

Seahaven Landscapes can design or work from plans to construct all aspects of hard and soft scapes.

The scope of works allows Seahaven Landscapes to attract a large client base from Melbourne's South East to Mornington Peninsula.

Our clients range from first home buyers through to acreage owners looking for a speciality finish.

Our quality of work has been recognized through registration as a "Registered Building Practitioner" and a "Master Tradesman".

Seahaven Landscapes is also able to complete excavation works with a 10m tipper, bobcat, 4.5 tonne excavator and mini excavator available for hire.
