GROWTH STRATEGIES

Illumina Business Consulting was created to help improve the performance and profitability of companies of all sizes be it a small business, large corporation or government / non-profit organisations.

We are sharply focused on idea intensive strategic problem solving to align your organisation towards its critical path. We specialise in fact-based analysis to diagnose and develop insightful and practical solutions that ensure your competitive advantage in your industry.

TRUST & INTEGRITY

Client relationships are of critical importance to us and we strive to develop long term relationships that are based on trust, commitment and integrity. Thus, you will find, as we work side-by-side with you to achieve your goals that it is our people and what we bring to the table that truly differentiate us.

At Illumina, we are ethically bound by an "Oath of Confidentiality". This oath is similar to those taken by lawyers and doctors and prohibits the sharing of any client information.

WEALTH OF EXPERIENCE

Our consultants all have board-level experience, are existing or previous company owners and come from a variety of industries. We have developed a 'bank' of specialists that all businesses can call for advice and guidance.

This can include representing directors at meetings with banks or clients, assistance with sales & marketing, improving profitability, reducing costs or any guidance to help an organisation further its aims and interests.

TAILOR MADE SOLUTIONS

Using proven methods and techniques and drawing upon the individual expertise and resources of our team we can tailor make a business programme that is geared to your specific requirements.

We work closely with you and/or your management team towards a solution that answers your unique issues and concerns.
