There are so many benefits!

ACRYLIC SPLASHBACKS

- Extensive range of colours to suit most decors
- Acrylic is light, durable and flexible as well as cost effective
- The perfect product for your DIY job
- Mark and stain resistant, easy to clean. Simply spray and wipe and enjoy a clean and grout free look
- Can be fitted over existing tiles so you don't have to rip off everything
- Not suitable to go behind a gas or electric cooktop but ideal for induction

GLASS AND MIRROR

- Extensive range of colours including metallics
- Strong and extremely durable
- Mark and stain resistant
- It can be fitted over existing tiles, subject to site inspection
- Suitable for all cooktops
