Vision

To be the market leader among point-to-point courier companies by providing quality service, reliability, innovative solutions, technology and professionalism.

Our People

We realise that as a service provider our most important asset is our staff. Being a family owned and run business we run a tight close-knit team dedicated to looking after our customers. To bring you the highest level of customer service possible, we invest heavily in the training of all team members. Having outstanding people on the road and in the office allows for our success. If we wouldn't trust them with our belongings – we wouldn't trust them with yours!

Bookings

You choose the booking style that suits your needs. We take e-mail requests, phone bookings and have a simple and easy-to-use internet booking system along, each booking is booked as an R2U service unless otherwise advised.

ETD

Estimated Time of Delivery

When you book a job with us our customer service team they will advise you of your ETD (estimated time of delivery), this gives you a realistic delivery time that you can pass onto the receiver. We will contact you if we anticipate a delay with your job. All ETD's are taken from the time of booking not time of dispatch.

Payment Options

We offer a 5-day credit account, or Cash on pickup or delivery, we also accept all credit and debit cards as well as American Express.
