

## Terms and conditions

1. Payment is strictly to be made within three days of completion of work

2. The contractor shall, at the request of the client, send a fencing quote to adjoining neighbours however the contractor bears no responsibility for failure of the owners to comply with Fences Act 1968 and in the event that adjoining neighbours do not pay, client 1 is responsible for full payment to contractor

3. Unless otherwise stated in the quotation the client shall remove all obstructions and provide a clear working area for completion of work

4. The client shall be responsible for notifying Flash Fencing of the position of underground obstructions including electrical and telephone cables, gas water and sewage pipes or any other objects and shall indemnify Flash Fencing for the cost of such damage incurred unless notified prior

5. The client shall remove all items (eg, plants and ornament) otherwise Flash Fencing will take care but will not be responsible for the damage of any such items

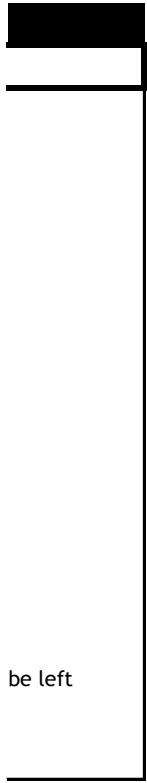

8. Unless otherwise stated in this quotation the client is responsible to obtain all relevant permits and supply a copy to Flash Fencing

6. Fence height is measured from top to bottom and level may vary due to land undulation

7. Unless otherwise stated the fence will be constructed with which side the posts are on

8. Please note if choosing to remove the fence yourself (ie no demolition and removal included) offcuts and rubbish will for client to dispose of or a fee can be incurred for flash fencing to dispose of these

9. Please complete neighbour details and sign quote prior to commencement of work
