

[Perth's Granny Flat Specialist](#) design and custom build granny flats in Perth.

Our team of design and building experts keep you well informed throughout the building process and are happy to discuss your plans with you in detail.

A granny flat can significantly add value to your home by providing you with the extra space you need.

Due to new regulation changes, building a granny flat is now much simpler. Also, home owners can now lease their granny flat out to the public to derive a rental income.

Granny flats have come a long way and now buyers can enjoy a stylish, modern granny flat that is available in many styles, shapes and sizes. At Perth's Granny Flat Specialist, we are what our name suggests, specialist granny flat builders.

Granny flats can be used for a number of different applications. Some examples are:

- Home Office
- Guest House
- Housing for an elderly family member
- Storage space
- Utility Room and much more!

At Perth's Granny Flat Specialist, we are a fully licensed and qualified construction company that understands the importance of safety. We only employ highly experienced and qualified tradesmen who ensure that all work is completed efficiently and in a timely manner.

We have built our reputation on creating innovative living solutions and always providing a personalised experience for our clients. If an issue arises, we discuss it with you and work to find a solution that suits you.

Our friendly team strive to uphold our reputation of being courteous and professional at all times.

With over 55 years of combined experience, you can trust that our team are highly qualified to build your granny flat in Perth.
