

CENTURION

OUR COMMITMENT

Centurion has been one of Perth's leading logistics and transportation for over 50 years! With half a century of experience within the industry, Centurion is committed to delivering the very best in service and transport. If you are looking for a transport company in Perth, Centurion is ready and willing to take on your project.

OUR SAFETY

With a deep commitment to the safety of all Centurion work force, our company deploy the highest standards of health and safety upkeep and checks. To provide the very best in logistics to Perth, we believe in having a team that is healthy, happy, and safe! This strong culture of health and safety is at the core of Centurion and is born from the values the company holds as important.

OUR DELIVERY

From general freight and transports through to warehousing and bulk/heavy haulage, Centurion is Perth's premier logistics and transportation company. Our service has developed one of the smoothest and issue free logistics operations Perth has ever seen. With over 50 years of refining, changing and development, Centurion has created Perth's premier logistics company.

OUR VALUES

Centurion is a company based on a set of values which influence all that we do, say, think and operate. Our Group values consist of respect, accountability, persistence, passion and integrity. With 50 years of development and refining, these values are integrated with our day to day practices and a simply a part of the Centurion way of life.
