RESTOP 2

- Sanitary
- Odour-free
- Easy to use
- Environmentally friendly
- The only chemical-free system for the safe disposal of solid waste

Restop® 2 contains everything needed to safely dispose of solid human waste. Our patented “bag in a bag” design and final zipper closure securely contains the waste and the odour, while our special blend of polymers and enzymes instantly begins to break down the waste and turn it into a deodorised gel. Just use Restop 2 with the Restop Commode or over any receptacle.

Restop® 2 Disposable Bag for Solid Waste Restop Commode not included.

The **Restop® 2** pouch is really two bags in one. The grey liner is designed to be pulled up over the seat for extra sanitation, while the foil bag contains the polymers and enzymes to instantly gel and break down the waste.
