Here is why we are the only choice for your next project?

1. We are Canberra industry leading healthy home specialists. Our projects are built with its occupants in mind. Most of us spend over 90% of our time in a building, a healthy home will decrease the risks of allergies, asthma, sinusitis, eczemas and hayfever.
2. Our homes comes with HRV direct home ventilation/purification system as a standard inclusion, this means you will have fresh filtered air, through HRV Leading nanofiber filter for the purest possible environment, which in turn helps to reduce mould, excess condensation and odours.
3. Every project comes with HRV whole home water purification system on your mains which gives you a complete control of purity of your water on very tap in your home, this a highly sophisticated four stage filter which captures impurities in your home which includes sediments, heavy metals and up to 99% chloride and much more.
4. Natura homes builds homes of the highest standard; we collaborate with specialist architects and expert engineers to achieve remarkable results on any site.
5. We select only the best subcontractors who are experts in their trade, resulting in unparalleled finishes to your new home.
6. We believe in honouring our quotes. That means one accurate all inclusive cost with no expensive add-ons. No standard variation charges, so no extra costs on our part for your project.

Our Guarantee:

In our quest for superior quality and the highest level of customer satisfaction, we guarantee all of our clients with:

- Full support and progress communication
- Full 7 year structural warranty
- Project completed on budget and time or we will pay you!
- Your vision is our priority - Any changes you choose to make at any stage of the project are your choice. We want you to be 100% satisfied. There will be no 'standard' variation charges.
