

Why Choose Us

Riversdale Prestige and Riversdale Service Centre continue to be operated by the original partners that established the business in 1983.

What began as a small two-man servicing business has grown over the years and now includes two workshops and a sales division. Accordingly, David and Guy are now backed by a dedicated team of technicians and professional sales consultants.

Yes, much has changed over the years, but what has never changed is our commitment and our passion for Prestige Cars. So whether you're looking for a quality prestige car, or experienced and reliable service technicians, we can help you.

Many businesses specialise in sales or service, but at Riversdale we offer the complete package.....ensuring continuity of care. We're here to help you buy your ideal car and to ensure that it runs well while you are its proud owner.
