## ONSITE-SUPPORT

Let us come to you! If you have a few irritating problems with your computer or printer, or if you have a really big problem (or two), you can now get everything sorted out at the same time. Mister PC (<http://mrpc.com.au>) offer a personal Computer Technician in the comfort of your own home – we will fix problems\*, install hardware, answer questions and explain what's wrong using simple words (not geek speak). Anyone, Anywhere, Anytime. No call out fee.

Some of the Services we offer Onsite:

- System setup – wireless/broadband, software, fax, printer/scanner
- Troubleshooting (i.e. system conflicts and problem resolution)
- Transfer or Data backup
- Security software installation/configuration
- Virus/spam-ware removal/protection
- Training/familiarisation
- ...and a whole lot more...

Need us there fast? We can be onsite within 2 hours of your call with our Priority Service (extra fee applies)

## PHONE AND REMOTE SUPPORT

PC help and support is only a phone call away with Mister PC! Our MrPC Help desk is available to you to assist you with problems you experience.

Distance is no longer a barrier with MrPC Remote Support. With your permission MrPC can connect\* to your system to provide “real time” help and support – just like having the doctor sitting right beside you. Once the problem is established, MrPC can solve the problem right before your eyes!

\*You must have a working internet connection for this service

The MrPC Remote Support can help you with:

- General assistance and help
- Configuring new devices
- Installing new software
- Advance problem resolution
- Spyware/Virus Removal
- Training (Windows and Microsoft products only)

“The service was been excellent, everything is working well, and I’m particularly happy with the good turnaround time. I’m impressed with your service.”... (<http://mrpc.com.au/testimonial-view/roger/>)

Travis and the team at Mr PC have been our saviour from the start. As a small business owner, there were so many things we didn’t understand in IT. Travis has always gone above and beyond to ensure we have received the highest standard in excellence IT support. Not only support though. The team at MrPC have helped with computing, printing, software, back up, initiating (<http://mrpc.com.au/testimonial-view/nicole-starbuck-connelly/>)Continue Reading (<http://mrpc.com.au/testimonial-view/nicole-starbuck-connelly/>)...

I called out MrPC last week and am delighted with the service I received. The technician was polite, friendly and knowledgeable without making me feel silly or stupid and I appreciated that tremendously. I've just started a new business and will be using Mister PC from now on. Your service was impeccable and I was really impressed.
