

SEO Submission Form

1. Type of submission: Monthly Single Submission

2. Web Page URL: _____

3. Title of the web page: _____

4. Submission email address: _____

This is the email that we will use as part of the submission program, and not for any communication with you. It can be used to collect the automatic replies of the search engines that follow the submission process.

5. Type of web page: Business Personal Academic

6. Description

We have you enter three descriptions for this page because unfortunately, there is no standard for the description length used in search engines and directories (some limit the description to 25 words, while others allow as many as 35 words). Therefore, there are three different fields to enter the description of your web page so that we can provide the description in the right length for every search engine and directory.

Enter short description (18 *words* recommended, no more than 25):

Enter normal description (142 *letters* recommended, no more than 160):

Enter long description (No more than 35 *words*):

7. Keywords

Finally, please enter up to 10 keywords or short phrases. Many of these words *should* be repeats of the words you provided in the descriptions above. (No more than 30 characters each)
