## BALTI DISHES

This dish was created in Britain in the late 1970's, in the region now known as the Birmingham Triangle. The famous unknown chef developed the dish that set Britain on the path to making Indian cuisine more popular than fish and chips in the country. We bring this traditional British Indian dish to Australia to remind the many Brits of home. Our Balti is stir fried with onions and garlic in chefs own balti sauce.

### The 5 Rivers

The word "Punjab" is a combination of the Indian words. 'Punj' meaning five and 'Aab' meaning water. The Punjab is a region of five rivers: the Jhelum; the Chenab; the Ravi; the Beas; and the Sutlej regions.

The 5 Rivers Indian Restaurant takes its name from this ancient region of the Indian sub-continent.
