Call a Cooler

Cool. Clean and Local

1300 79 33 03

Call A Cooler can save you up to 60% on the cost of bottled water!

Eliminate the cost and hassle of bottled water delivery, storage and handling.

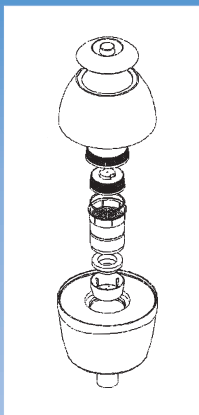

With Call A Cooler's water filtration systems you'll never pay more than a low monthly rental.

- Scheduled customer filter service and maintenance plan.
- All filters are changed regularly to prescribed schedule.
- All systems cleaned and sanitized.
- Full system check, water test and written report.

*Fair dinkum it's
fair drinkin!!!*

The filtration process

The Tri-stage filter is composed of an activate carbon block, corallite and a ceramic dome filter, each stage containing natural sediments and minerals uniquely designed to reduce impurities in the water including chlorine, odour, rust, microbes and many others.

The end result an endless supply of refreshing, great tasting spring-like water.

Rated Amount of Water	Water Flow Capacity	Pressure
2000L	18L/Hr	Normal
