REBECCA

Stylist/Owner

Rebecca is a multi-tasking businesswoman whose hands-on approach is geared towards driving the business to success. Her mission and that of the LHD team is to ensure that all clients feel refreshed and enhanced after enjoying the salon treatments and services. Not only is Rebecca an accomplished entrepreneur and stylist, but she is also a true people-person. She has a gift of making clients feel comfortable, relaxed and confident in the knowledge that they are in experienced and capable hands. Bec has held a Certificate III in hairdressing for the past 12 years, and attends regular refresher courses at the DCI Institute to keep her finger on the pulse of hair techniques and trends.

RACHEL

Stylist

With more than seven years' experience in the haircare industry, Rachel Patten is a popular stylist with a loyal base of repeat clients. As a mother of three daughters, she is a keen supporter of all things natural and organic, because she feels it's our responsibility to ensure the safety of our planet for future generations. Rachel has a creative edge and a warm, nurturing way with people. She listens, cares and gives honest and sincere advice. This combination has won over many clients who keep coming back to her.

NOK

Stylist

After finding a career in bookkeeping most unsatisfying, Nok is now following her dream... and we are only too thrilled to have her in the salon. She has completed her Certificate II in Hairdressing and is currently undertaking her Certificate III. She is off to a great start and complements the LHD team really well. Our clients can relax at the basin with Nok's nimble fingers massaging away all tension and stress.

JANNA

Stylist

Janna is the most recent addition to the LHD team and brings with her a love of styling – from classic cuts with a modern twist, to blow-drying a head of hair to perfection. She’s a whizz with round brushes, creating curls that look as if she’s used a wand! After graduating from Petersham TAFE in 2010 with a Certificate III in Hairdressing, Janna worked in salons around the city prior to joining LHD Organic. Her organic lifestyle is a perfect fit with the LHD philosophy... and with her exuberant friendly nature, she quickly puts clients at ease.

BEC BASTIEN

Stylist

Bec has been with LHD Organic on and off for over five years. During this time, she has built a following of loyal clients who are thrilled to have her back at the salon. She holds a Certificate III in Hairdressing, and through LHD, has attended various DARIO courses in precision cutting. She specialises in styling that’s classic, yet on-trend. When the salon embraced going organic, Bec carried this through to her home life, and says that she and her family continue to reap the benefits.
