Our work ethic at Primal Entertainment is simple - we treat our clients as we would want to be treated. We strive to provide the best service and products to our clients, and take great care and enjoyment in being able to create positive opportunities for those we work with.

We are always searching for better ways of assisting our clients, developing innovative ideas that will be of benefit to them, and help their businesses grow. We utilise acts of all genres, styles and budgets, and tailor your entertainment needs specifically to your requirements.

We look forward to working with and being of assistance to you too!

With over 900 acts on our register, the following are only a small sample of the artists that we have direct access to, and have used extensively with great success. We have an extensive artistic base from which we draw.

Our guarantee to you is that our paperwork will always be easy to understand, and clearly outline all fees and charges. We strictly adhere to the legislated *Entertainment Industry Act*.

"Music can touch people at a primal level – evoking different emotions and triggering memories of particular places and times. Music is such a part of our emotional makeup – it can make you patriotic, it can make you want to fight, it can make you want to cry"

Jimmy Barnes – Say It Loud
