

“MAINTAINING BEAUTIFUL LAWNS AND GARDENS CAN BE SIMPLE”

New England Irrigation is a new local business within the Armidale and New England region run by founder Andrew Carson. The business is affiliated with ‘*WATERMARK Irrigation*’, a family company based in Sydney.

Tom Carson, the founder of ‘*WATERMARK Irrigation*’ has over 40 years’ experience and knowledge in the field of agricultural and landscape irrigation which he has passed on to Andrew in time with Watermark and continues to provide assistance and expertise to Andrew and his customers.

Andrew is also experienced in all aspects of lawn maintenance and some landscaping.

New England Irrigation comes to the region providing automated sprinkler systems for residential and commercial spaces and continued maintenance.

We offer competitive prices and fast service. We will work with you to discuss a variety of options for your needs to create the best possible system for you.
