

The **TURF FARM** supplies a variety of lawn turf to suit all budgets, including Australia's no.1 favourite lawn, **Sir Walter**.

A LAWN YOU'LL LOVE

Sir Walter has a soft lush broad leaf.
A lawn that feels as great as it looks.

DROUGHT TOLERANT

Sir Walter is ideal for our harsh climate. It requires minimal watering to keep its lush green appearance all-year-round. A low thatch growth habit means that moisture is locked in through a tight matrix of leaf blades.

SUN & SHADE TOLERANT

Sir Walter is flexible—it is the perfect variety to use if you want to create a new lawn or replace an existing lawn that is suffering from increasing shade problems from trees and structures.

LOW MAINTENANCE

Sir Walter has a unique slow creeping growth that can result in less mowing. It will not invade your garden and has good resistance to disease, fungal and pest attacks.

CHILD & PET FRIENDLY

Perfect for kids to play on, *Sir Walter* is low-allergenic. It has a long growing season and *Sir Walter's* self-repairing ability means that it will deal with wear and tear damage like no other. It's the perfect lawn for the whole family including your pets.

ENVIRONMENTALLY FRIENDLY

Sir Walter requires less watering, mowing, fertiliser & chemicals than other varieties. It absorbs carbon dioxide, produces oxygen and even cools the area around your home, it really is the perfect green choice.

100% AUSTRALIAN

Sir Walter is true blue Australian owned and bred, keeping Aussie money with Aussie growers.

A Lawn You'll Love

We Supply Freshly Cut, Quality Turf
Pick Up or Delivery

08 8577 8826
www.theturffarm.com.au

THE TURF FARM is located in the heart of the Mallee. Specialising in Australia's most loved lawn **Sir Walter**, we grow and supply the best quality turf for all of South Australia.

The business is family owned and operated. Established in 2003, we diversified our broadacre farming business to include irrigated commercial turf. Having successfully grown and supplied wholesale turf to all areas of South Australia, we are now proudly supplying commercial and retail customers with the absolute best quality turf. We supply freshly cut turf to South Australia and North East Victoria.

QUALITY PRODUCT & EXCELLENT SERVICE

Here at **THE TURF FARM** we take pride in supplying quality fresh cut turf with a premium service, that is second to none. We have a genuine care for our customers and are focused on providing you with a lawn you'll love.

We specialise in **Sir Walter** as we are confident that it's the best! It is recognised as Australia's most loved lawn and is supported by most industry experts who recommend it as the best grass.

We would love to meet you, so give us a call for a chat.
