

Aged Care Directions

# Do you have ageing relatives with daily care needs?

Aged Care Directions believes that education and early planning can address much of the anxiety associated with care decisions for close family members.

Please feel free to contact us to discuss any issues you may have.

# Aged Care Directions

- Are you trying to navigate and **understand the complexities** of the aged care system?
- Have you **searched for answers** only to end up more confused?
- Is the time you are spending looking for answers putting **pressure** on the rest of your life?
- Do you know that you “should” be getting your affairs in order but simply don’t know **where to start**?
- Do you need help in setting an agenda for a family meeting to **discuss the best future care** for your relatives?
- Has appropriate family **estate planning** been done including establishing wills, powers of attorney and guardianship?
- Are you worried about **how to fund** the “cost of care”?

## We are here to help
