

Foundations Loose Powder feels just like a second skin, so light it's as if you are wearing no makeup at all, but gives all the coverage that every woman wants. Not only does it feel and look flawless but it has the added bonus of giving your skin SPF20+ protection from today's environment while feeding your skin with vitamins and minerals

Foundation Compact-This Mineral Foundation has amazing coverage, while still remaining all-natural!! SPF20

Foundation Liquid these are creamy, easy to apply, long lasting (and NO transference!) and have excellent coverage.. SPF 20

BB Cream This is the latest craze – and with good reason! Beauty Balm Cream is a cross between a Deluxe Vitamin Enriched Moisturizer and a Luxurious Foundation, all in stock packaging which is truly elegant! SPF20

Concealer and Trio Concealer

If you need to conceal or correct a blemish or imperfection Perfect Touch minerals have the perfect Correctors and Concealers to do so. You will fall in love

Invisible Primer- these are great to prevent shine and help your minerals last from day to night.

Illuminate Highlight your face to get that superstar glow!

Mattifying Cream and Gel gives your skin a hydration boost while evening out skin tone for a flawless finish. Mattifying Primer gel is best used when applied before foundation whether it is a powder or liquid.

Setting Powder- Want a longer lasting finish? Mineral Setting Powder is the answer you have been searching for! Perfect to help give you that matte glow.

Blush- these are great for accentuating the cheek bones and defining face shape. Depending on face structure and desired look, application can vary to create the illusion of different face shape and contours.

Bronzer always wanted that sun kissed look, like you have just been to the Greek islands for a holiday? Well now you can have it. These are stunning, easy to use and addictive.

Eye Shadows That's right, NO silicone oils like dimethicone, NO FD&C dyes, NO petroleum derived oils, NO paraben preservatives but still with amazing pigment and staying power that looks stunning!

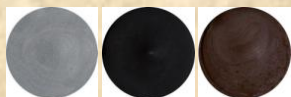

Brows Definers-give your brows that perfect shape you are after. You can also use the Clear Gel to hold those out of control hairs in place. Perfect!

Liquid Eye Liner: Our liquid is so easy to use and gives your eyes that elegant look, while lasting from day to night. Bliss!

Eye Liner is used to enhance and change the appearance of the eye shape depending on colour used, and application technique used. These are easy to use and won't run.

Mascara ahhh Mascara... The number 1 cause of eye irritation in women...well NOT with this Mascara! 100% mineral and waterproof available

Lip Sticks give your lips some colour! There is a shade to suit every one, colours to create desired looks from fiery reds to soft nude pinks. They look great and feel fabulous

Lip Gloss This Lip Gloss so shiny and creamy you will be amazed! 100% All-Natural and Vegan!
Long-lasting! Dazzling sparkle and shine!
Luscious and Moisturizing, but never greasy or sticky!
Amazing colours!

Lip Liner-Great for defining or changing the shape of your lips, use to enhance different looks and helps to prevent lipstick from bleeding.
