### Cover Summary

#### Important Cover Selection

**Before obtaining a quote it's important that you understand the differences between the 2 covers you can purchase.**

#### Cover (A)

**(FULL COVER- this includes all Cover B Risks) This cover only available if your goods are moved and/or packed by a professional removalist. Cover A covers any loss or damage to your goods by accident or natural perils and by wilful and deliberate actions of a third party. A \$200 excess is payable under this cover but would be refundable if we can recover damages for you.**

#### Cover (B)

**(Restricted Cover- Specified Events as listed) This cover is available if you are moving your own goods or having them moved by a professional removalist.**

**Cover B will pay for any loss or damage to your goods caused by the following;**

**Fire, explosion, lightning or flood. Water and storm damage is covered only whilst goods are in storage and if the storage insurance option is selected. Collision of the conveyance carrying your goods with an external object, or of the goods while on a land conveyance carrying them with something not on or part of that conveyance. Overturning, jack-knifing or derailment of the land conveyance carrying your goods. Grounding, sinking or capsizing of any vessel carrying your goods Crashing or forced landing of any aircraft carrying your goods Discharge of your goods at a port of distress.**

**Jettison of the goods from a vessel.**

**Nil excess under this cover**
