

KRISTIAN VIDAKOVIC MASSAGE THERAPIST

We invite you to accept our massage services into your life, to incorporate into your lifestyle and aid in your general wellness.

We offer a range of services to suit your needs. Whether you wish to indulge in a relaxation massage, relieve the stress of everyday living, or soothe the aches and pains of a pre-existing injury, we can discuss the best treatment for you.

We firmly believe that the benefits of massage are better sustained with regular appointments, and encourage routine sessions to ensure we can provide the best treatment possible.

Our Massage Therapist, Kristian Vidakovic has studied with the Australian College of Massage and is a member of the Australian Association of Massage Therapists (AAMT).

MY HEALTH, MY PRIVACY, MY CHOICE

YOUR RIGHT TO PRIVACY

Renaissance Plastic Surgery collect personal and health information about you, we are committed to the protection of this personal information provided to us. Mr. Vidakovic and the experienced staff of professionals are dedicated to delivering the highest outcome possible to our clients. The privacy, safety and satisfaction of all clients are our priority. Our practice has developed a policy to protect client privacy in compliance with privacy legislation (the National Privacy Principles of the Commonwealth Privacy Act 1988).

These acts provide you with a number of rights including:

The right to be informed of why your personal and health information is being collected and whether it can be given to any other parties;
Your personal and health information can only be collected for lawful purposes;
You have the right to request to see what information is held about you and have it corrected if it is incorrect, out of date or incomplete;
The right to have your personal and health information stored securely and protected from unauthorized access or misuse;
The right to know how your personal and health information is being used;
The right to complain to Mr Vidakovic/Renaissance Plastic Surgery if you believe that your privacy has been violated.

What Personal and health information about you is being collected:

Your name
Your contact details, including address and telephone number/s
Your date of birth
Occupation
Your referring doctor and/or you General Practitioner
Your private health fund details if applicable
Your Medicare/Veterans Affairs number if applicable
Results of any tests or procedures
Information regarding past medical history
Name of next of kin
Any allergies you may have
Any medication you may be taking

Personal and health information is used for:

The provision of services and quality care for you
For internal administrative requirements
To assist staff in providing information and care to you
Assist Mr Vidakovic and staff when you make phone telephone calls to the rooms
To keep appropriate documentation in accordance with legal requirements

Where your health and personal information may be disclosed to a third party without your consent:

An emergency situation.
By law, occasionally doctors are required to disclose information for public reasons, for example mandatory reporting of communicable diseases.
Provide Medicare or private health funds if appropriate for the purposes of rebates.
Your involvement in unlawful activity.
Debt collection agencies in the event of default on payment following fair warning.

Where your information is stored:

Your personal and health information is stored within our software programme and in patient files. Patient files are kept strictly confidential and are stored away from public access areas. Computer generated patient details are not sent to any other party without your consent.

It is a legal requirement that we store your records for a period of time after your last attendance, these will be archived and stored within a secure and private and safe area.

Internet Site Disclaimer

We do not collect personal information about you when you visit our web site unless you choose to provide this information to us via email contact direct from the site. However, certain information about site visitors is automatically collected and stored.

Links to other web sites:

Links from web site to web site are for the convenience of the user. Such links do not constitute an official endorsement or approval of any private sector web site, product or service.

What to do if you believe your privacy has been breached?

If you believe Renaissance Plastic Surgery has breached your privacy in any way you have the right to complain. The complaint must be in writing and directed to the Principals of Renaissance Plastic Surgery who will conduct an internal review immediately and report back to you with their findings, in writing.

If you are dissatisfied with Renaissance Plastic Surgery findings you have the right to complain to the Federal Privacy Commissioner.
