

Melbourne by bike

Come on a bicycle tour of Melbourne with **Melbourne By Bike** to learn about our cosmopolitan city and have fun with one of our expert local guides.

We specialize in **personally tailored rides**.

You don't have to be a frequent or strong cyclist – this is a tour requiring some riding, a stop to chat and look, and more riding. We cater to all levels.

We will also partake in Melbourne's well known **coffee culture** whilst having a delicious, **casual lunch**.

We visit **Aboriginal landmarks**, surprises hidden within Melbourne's **historic** arcades and laneways, Melbourne's **sporting precinct**, our Yarra River and the eclectic suburb of Fitzroy.
