

Good news for  
the beautiful  
ladies of Samford  
and surrounding  
districts!

# Serene Beauty @ Samford is NOW OPEN.

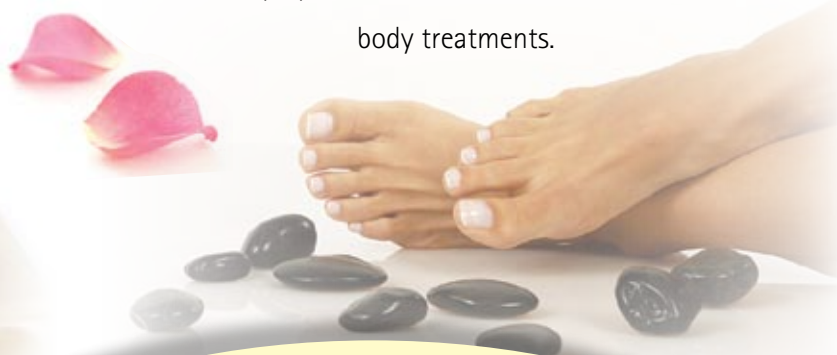

Serene Beauty @ Samford is a state-of-the-art dermal therapies clinic and beauty salon, which offers high end treatments such as IPL, skin needling, medical grade peels and PDT teeth whitening as well as more the traditional beauty treatments that every woman needs. The clinic also offers a wide range of make-up and hair services.

The professional staff at Serene Beauty @ Samford can tailor a program to fit your needs and most importantly your skin. If you have a specific issue they can apply the latest technology resulting in very effective treatments.

If your needs are more simple or you just wish to have some indulgent pampering they can offer everything from spa pedicures with hot stones, to blissful body treatments.

Serene Beauty @ Samford offers packages to help you prepare for that special event. They can take your skin through a journey from repair and recovery, through optimisation and maintenance right up to making sure your make-up, nails and pearly whites are perfect on your special day. When it is all over they are there to massage you back to normal.

Right now  
**Serene Beauty @ Samford** is offering  
**GREAT PACKAGES** for **BRIDES-TO-BE AND THEIR BRIDAL PARTIES**. Get all the Girls together and treat yourselves to Mani's pedi's and facials and then have the perfect make-up and hair to make the groom's party swoon...
