- **Emergency Dental**

We value convenience and accessibility and have therefore ensured we have an after hours emergency dental service available 7 days a week.

- **General Dental**

All the dental filling materials used at Glow dental are white and mercury free. We have all the latest technology to ensure you get the most biocompatible, holistic and aesthetic restorations

- **Implants**

Ever regretted that missing tooth? At Glow Dental we can replace your missing teeth with new replacement teeth which can restore your ability to eat the foods you like and smile with confidence.

- **Root Canal Treatment**

Ever regretted that missing tooth? At Glow Dental we can replace your missing teeth with new replacement teeth which can restore your ability to eat the foods you like and smile with confidence.

- **Dentures**

Missing teeth or just want a new set of dentures. We have all the latest technologies including the flexible denture, chrome-cobalt and resin and we provide prioritised service for denture emergencies.

Show off Your SMILE

- **Orthodontics:**

Always wanted straighter teeth. We offer traditional teeth straightening as well as invisible braces. Make an appointment today.

- **Sleep Apnea:**

Finding yourself falling asleep during the day, always tired or snoring at night. Make an appointment to see whether we can help ensure you have a better night's rest.

- **Pregnancy Dental Care:**

During pregnancy there are many changes to the body. There is a welling known link between pregnancy, bleeding gums and gum disease. Come in if your are pregnant and experiencing these symptoms and let our caring, experienced staff look after you.

- **Sedation:**

The modern experience of a visit to the dentist is significantly different from the experience of dentistry in the past. At Glow Dental we offer a comfortable pain-free experience and also have in house all forms of sedation and sleep dentistry. Try the modern sleep dentistry experience.

The Glow Dental Experience

The well disposed staff at Glow Dental might want to invite you to a boutique dental experience. We offer the absolute best innovation combined with expertly prepared staff to present to you an unrivaled by and by custom fitted experience. When you venture through our entryways into our appreciated parlor, the Glow Dental contrast turns out to be quickly evident. Loosen up viewing our tropical fish, request an integral refreshment from our menu and make up for lost time with your perusing with our determination of the most recent magazine or the day by day paper. Our group are enthusiastic about your wellbeing and your family's wellbeing and we take incredible pride in having the option to give the absolute best of consideration to the nearby network and the individuals who try to come and visit us for our steady praiseworthy consideration.

**Our practitioners are well rounded and have travelled the world to become experts in their field.
