

PARTY PHOTOGRAPHY, HASSLE FREE

private parties, birthdays, engagements, anniversaries

Event Photos not only covers large corporate events but we also provide our services to private parties. Having covered a number of engagement and birthday parties and social get togethers, you are sure to be in capable hands when it comes to your special occasion.

Our photographer will blend in and mingle with your guests capturing those special moments – your event images will then be supplied in high resolution format on CD/DVD with the option of our online photo gallery.

The benefits of using a photographer for your private party

- You don't have to carry the camera or worry about where you put it down.
- Confidence in knowing that you will get some great memories captured.
- You can relax and enjoy the celebrations. Hassle free!
