

Why Our Customers Love Us

We take pride in offering a service that goes above and beyond expectations. Here are some reasons why our customers love us:

- **Personal Service** - We love what we do, so we are always smiling. From the moment you contact us, you will have the pleasure of dealing with a friendly member of our team. Our phones are always manned – no answer machines here! Want to see for yourself? Call us now.
- **Fixed, Upfront Pricing** – We assess your job and provide an honest, upfront and fixed quote. No matter how long the job takes, you can relax knowing that the meter is not running.
- **\$50 Cash Back On Time Guarantee** – Our electricians arrive on time for appointments. We know your time's valuable. We offer a \$50 cash back on-time guarantee if you're kept waiting.
- **Power Emergencies** - We provide quick service when you need it. We can usually provide service in no more than two hours, 24/7.
- **Respect** – Your electrician will leave your home clean and tidy. They will come equipped with cleaning supplies, so there is no cleaning up for you to do after they leave.
- **We Only Hire The Best** – In addition to hiring only the most qualified and skilled electricians in Adelaide, we also conduct a background check on every employee we take on.

Star Plus Group has worked hard over the years to build and maintain a loyal client base, which includes residential, commercial and industrial customers of all types and sizes. Our electrical company also services real-estate, strata, government and corporate organisations.

Whatever your electrical service, however large, small or urgent Star Plus Group can assess, repair, replace or service with a professional attitude, guaranteed workmanship and upfront pricing.
