

ABOUT US

[Allied Equipment Sales](#) specialise in sourcing high-quality, new and used, industrial machinery and equipment. We primarily source late model, low hour equipment from major OEM brands such as Cat, Komatsu, Volvo and Hitachi. If you need equipment for your latest project, we have a wide range of machinery, including excavators, dozers, graders and loaders.

We guarantee we can provide you with the right machine, having an extensive network of global suppliers which enables us to source high-quality equipment for a range of purposes. We have two branches in Australia, our head office in Perth, Western Australia and an east coast office in Penrith, New South Wales.

PRODUCTS & SERVICES

We stock a great range of used industrial equipment that are ideal for mining, construction, quarry and agricultural projects. We stock the world's leading brands in industrial machinery, from Caterpillar, Volvo, Hitachi and more.

Our list of equipment available includes:

- Agricultural equipment
- Backhoes
- Compactors
- Excavators
- Loaders
- Dozers
- Off highway trucks
- Trailers

We also offer high-pressure cleaning services for earthmoving equipment. We ensure the cleaning process is as environmentally friendly as possible, with minimal chemicals and water filtration for reuse. These services are available for, but not limited to:

- High Pressure cleaning of earthmoving equipment such as loaders, dozers, excavators, forklifts, etc.
- High Pressure cleaning of trucks including off-highway and on-highway.
- High pressure cleaning of light vehicles
