

End of Lease Garden Clearing and Property Maintenance

Clearing the property and garden at the end of your lease can be time consuming and exhausting, especially without the right equipment. On top of this, you will probably be in the process of moving into a new property and dealing with all the stress and hassle associated with relocating. Give yourself one less headache by calling in the experts from Mitch's Mowing and let us take care of one big job for you.

Our end of lease clean up can include the following:

- Lawn mowing/edges
- Leaf raking and removal
- Weeding of the garden beds
- Removal of garden waste
- Rubbish removal
- General tidying of garden beds
- Pruning and trimming of trees
- Hedging
- Plus anything else required to help you get your full bond deposit back.

The experts at Mitch's Mowing have vast experience with all aspects of gardening, lawn mowing and property maintenance. We have many loyal customers, returning to us time and time again for their lawn mowing and more. We inspire this repeat business through our excellent services and dedication to customer satisfaction.
