

Expert Garden Maintenance

Keeping your garden clean and tidy can be time consuming, and not everyone has the hours to spare every week. Aside from the time commitment, garden maintenance can also be costly, with all the equipment, hardware, fertilisers and weed sprayers needed to ensure a great job. It is simply not practical for many people, especially in rental properties. By calling in Mitch's Mowing's professional team, you can enjoy a well-kept back yard without the hard work and expense. We provide the cost-effective solution to garden maintenance, with competitive prices for the very highest standards of work.

We can take care of the following for you:

- Weeding
- Pruning
- Tidying of garden beds
- Strata maintenance
- Hedging
- Rubbish Removal
- Laying of ground coverings such as bark, mulch, pebbles, and more

Plus many more aspects of garden maintenance can all be taken care of by our experienced team.
