

## **About Mitch's Mowing & Gardening Services**

Since 2006, Mitch's Mowing & Gardening has provided the eastern suburbs of Sydney with the highest standards of service and work. We have grown to be a trusted and recognised business, renowned for our friendly customer service and dedication to client satisfaction. Many of our customers return to us time and time again to enjoy the difference Mitch's Mowing & Gardening can make to their property.

Our reputation is built on our commitment to prompt and efficient work, providing reliability and excellent quality work. We believe in old fashioned customer service, performing all work honestly and to the best possible standards. We offer an affordable alternative to the large franchised mowing companies, providing the personal touch that locals appreciate.

Mitch's Mowing & Gardening is active in the community and sponsor the local football team, the Coogee Wombats. We work with Double Bay public school, providing them with lawn mowing and gardening services as well as MyGym Eastgardens. We take pride in gaining business via word-of-mouth, affirming that our commitment to treating customers with respect is the best advertising possible.
