“
Very prompt call back and customer service. Good price and excellent workmanship. Would recommend them to anyone wanting a quality job done”

Julie from Thornbury, VIC on February 4th, 2013

“
Oric were able to suggest suitable solutions for a complex roofing issue and were highly professional. They were mindful of our safety concerns and were honest and open with their quoting. I would use Oric again and would highly recommend them to prospective customers.”

Kieran from Balwyn North, VIC on 29th June 2013

“
Fernando provided our property with an efficient and effective service in replacing a 60 sqm klip lok roof on the external rumpus room. He is a gentleman to deal with and takes pride in his work. Very price competitive and professional with all compliance documentation. ”

Andrew from Balwyn North, VIC on March 12th, 2013

“
If you are looking for very reasonably priced tradies who are not only dedicated, reliable and get the job done but also can work totally unsupervised with the peace of mind that they will never take shortcuts, Oric Metal Roofing is the company you are looking for! They also have awesome after-sales service ”
